If you would like to print your 1098T Tax form, after you complete your class, please provide your Social Security Number: \_\_\_\_\_ - \_\_\_\_\_ - \_\_\_\_\_. Your Social Security Number will be entered into **The University of Utah Campus Information System (CIS)** for tax purposes only. Social Security Numbers are **not** required for application to The University of Utah.

To register a student in a class the teaching university enters student specific information into a database. The information entered into the database will include the student's home institution, name, e-mail address, and course registration. This allows the teaching university immediate access to class lists. Software and data are stored and maintained on a secure central database server. A limited number of university staff or faculty will be granted access to the database on a need-to-know basis. I understand **The University of Utah** will be disclosing my personal identifiable information in the manner outlined above. I understand the purpose of sharing this information within NEXus Project.

By checking this box I, \_\_\_\_\_, have read and understand the terms stated above. \_\_\_\_\_
